# VOLUNTEERS

## Looking for a fun and rewarding volunteer opportunity?

We have opportunities for volunteers to help in a variety of ways providing burn prevention education or assistance at Champ Camp, holiday parties, survivor events or in the office.

# FUNDRAISING

## We couldn't do it without YOU!

Our programs depend on generous cash donations, in-kind gifts and the contribution of volunteer hours by people like you, fire departments, private foundations and corporations. Volunteers host dozens of events each year from pancake breakfasts to golf tournaments and our statewide Burn Relays.
