

ABCDEF Bundle Elements Now on the Results/Flowsheet Tab

For auditing the ABCDEF compliance, you can view the elements in the Results and Flow sheet band. Go to the Flowsheet drop down arrow, scroll all the way to the bottom and you will see ABCDEF Bundle

The screenshot shows the EHR interface with the 'Results / Flowsheets' tab selected. The 'Flowsheet' dropdown menu is open, and 'ABCDEF Bundle' is highlighted at the bottom. The 'Navigator' pane on the left shows various clinical categories, and the main area displays a table of bundle elements for January 27, 2017.

This will show anything documented for the patient pertaining to the ABCDEF bundle. If an element is not displayed, then it was not documented on.

The screenshot shows the EHR interface with the 'ABCDEF Bundle' results for April 25, 2017. The 'Navigator' pane on the left shows 'Assess/Pain Mgt', 'Delirium', 'Early Mobility', and 'Respiratory Therapy Documentation' checked. A red box highlights these items, and a note states: 'Note - SAT and Family Engagement is not listed here - there has been no documentation for this'. The main area displays a table of bundle elements for April 25, 2017.
